

Teleoworship - A Tua Graça Me Alcançou

tom: G

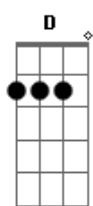

Cansado de vagar, por aí
 Busquei sem encontrar
 O que nem sabia que perdi

Algo que me desse paz, quis ouvir
 Tentando decifrar
 O motivo de existir

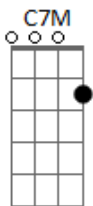

No silêncio da noite a chorar
 Um vazio no peito a incomodar
 Ouço Sua doce voz a me chamar
 Pelo nome

Tua graça me alcançou
 Agora os meus olhos te veem, Jesus meu redentor
 E a Tua graça é melhor do que a vida
 Pois não existe vida longe, de Ti meu criador
