

# Teleoworship - A Tua Graça Me Alcançou

tom: G

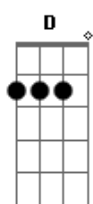

Cansado de vagar, por aí  
 Busquei sem encontrar  
 O que nem sabia que perdi

Algo que me desse paz, quis ouvir  
 Tentando decifrar  
 O motivo de existir

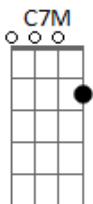

Am7 G D Am7  
 No silêncio da noite a chorar  
 Am7 G D  
 Um vazio no peito a incomodar  
 Am7 G D Cadd9  
 Ouço Sua doce voz a me chamar  
 D  
 Pelo nome

G D  
 A Tua graça me alcançou  
 Am7 G Cadd9 D G  
 Agora os meus olhos te veem, Jesus meu redentor  
 G D  
 E a Tua graça é melhor do que a vida  
 Am7 G Cadd9 D C7M D C7M D  
 Pois não existe vida longe, de Ti meu criador
