Letra

Touched,
 You say that I am too,
 So much,

Of what you say is true,

I'll never find someone quite like you,
 Again,
 I'll never find someone quite like you,
 Like You,

The razors and the dying roses,
 Plead I don't leave you alone,
 The demi-gods and hungry ghosts,
 God, god knows I'm not at home,

I'll never find someone quite like you,
 Again,
 I'll never find someone quite like you,
 Again,

I looked into your eyes and
 Saw a world that does not exist,
 I looked into your eyes and,
 Saw a world I wish I was in,

I'll never find someone quite as touched as you
 I'll never love someone quite the way that I loved you.
