Come What May - from the movie "Moulin Rouge"

Never knew I could feel like this
 Like I've never seen the sky.. before
 Want to vanish.. inside your kiss
 Everyday I love you more.. and more
 Listen to my heart.. can you hear it sing
 Telling me to give you everything
 Seasons may change.. winter to spring...
 But I love you.. until the end.. of.. time
 Come what may, come what may
 I will love you.. until my dy-ing.. day

Suddenly the world seems such a per-fect place
 Suddenly it moves with such a per-fect grace
 Suddenly my life doesn't seem.. such a waste
 It all revolves around you
 And there's no mountain too high, no river too wide
 Sing out this song and I'll be there.. by your side
 Storm clouds may gather and stars may collide...
 But I love you.. until the end.. of.. time
 Come what may, come what may
 I will love you.. until my dy-ing.. day
 Suddenly the world seems such a perfect place...
