(A : Dbm : Gbm : Bm E)

I didn't mean to hurt your feelings

It was so careless of me

I guess I've gone and done it

It's just a matter of time

Nothing I can do, but tell you I'm sorry

And that's the hardest part of all

(A : Dbm : Gbm : Bm E)

Cus your love is the killin' kind

Your love is the killin' kind

(A : Dbm : Gbm : Bm E)

I'd rather walk on glass than see tear drops in your eyes

And I found the pieces just to hold you the best thing in my life

It's just like I get to love you

You're the one thing that's right

You're the light in my hells darkness

(A : Dbm : Gbm : Bm E)

Cus your love is the killin' kind

Your love is the killin' kind... (Oh Yeah)

(F#m:F#m:F#m:Gbm)

(Why?)

I just might cry now

(Die)

Lay down and die now

(Why?)

You've done it to me

You're putting me under

(A : Dbm : Gbm : Bm E)

I close my eyes and I sit on the sky

I love you and all its pleasures

Baby it feels so right my arms won't be of any use at all if I can't hold you?

(A : Dbm : Gbm : Bm E)

Cus your love is the killin' kind

Your love is the killin' kind

Cus your love is the killin' kind

Your love is the killin' kind

(Oh Yeah)

(A : Dbm : Gbm : Bm E)

Oh darling baby...

I adore you darling...

I just want to say I'm sorry...

I'll do anything, anything...

To bring me to you baby...

Don't leave me darling...

Don't leave me baby...

I'm dying for you baby...

You're killin' me baby...

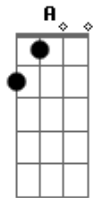

Believe me darling...

Riff tocado junto com a base
