Ingonyama nengw` enamabala

Desde o dia em que ao mundo chegamos

Caminhamos ao rumo do sol

Há mais coisas pra ver

Mais que a imaginação

Muito mais que o tempo permitir

E são tantos caminhos pra se seguir

E lugares pra se descobrir

E o sol a girar, sobre o azul desde céu
Nos mantém nesse rio a fluir

É o ciclo sem fim

Que nos guiará

À dor e emoção

Pela fé e o amor

Até encontrar o nosso caminho

Nesse ciclo nesse ciclo sem fim

(Ingonyama nengw` enamabala)

(A D E A Gbm Bm G E)

É o ciclo sem fim

Que nos guiará

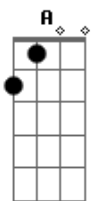

A dor e emoção

Pela fé e o amor

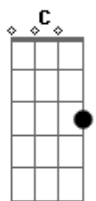

Até encontrar o nosso caminho

Nesse ciclo nesse ciclo sem fim
