Letra:

Realized I can never win  
 Sometimes I feel like I've failed  
 Inside where do I begin  
 My mind is laughing at me  
 Tell me, why am I to blame  
 Aren't we, supposed to be the same  
 That's why, I will never change  
 This thing that's burning in me

I am the one who chose my path  
 I am the one who couldn't last  
 I feel alive for the pain  
 I feel the anger changing me

Sometimes I can never tell  
 If I got something there for me  
 That's why I just hang in grief  
 For this, cuz you're leaving

Tell me, why am I to blame  
 Aren't we, supposed to be the same  
 That's why, I will never change  
 This thing that's burning in me

I am the one who chose my path  
 I am the one who couldn't last  
 I feel alive for the pain  
 I feel the anger changing me

Betrayed  
 I feel so, enslaved  
 I really tried  
 I did my time

I did my time x4

I am the one who chose my path  
 I am the one who couldn't last  
 I feel alive for the pain  
 I feel the anger changing me

Oh god, the angers changing me x2
