

Temas de TV - Novela O Clone (Sob o Sol)

Tom: G

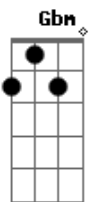

Sobre as nossas cabeças o sol
 Sobre as nossas cabeças a luz
 Sobre as nossas mãos a criação
 Sobre tudo o que mais for o coração
 Luz da fé que guia os fiéis
 Pelo deserto sem água e sem pão
 Faz das pedras o rio brotar
 Faz do céu chover forte o maná
 Quebra o vaso de barro do teu coração
 Com o melhor vinho do teu amor
 Pois quer a lei que ele se perca num chão
 E floresça o deserto a seus pés
 Regando as areias recriando regato

E as luzes do éden nas flores
 Na terra dos homens no circo
 Dos anjos guardiões
 Implacáveis do céu
 Dançamos a dança da vida no palco do tempo
 Teatro de deus
 Árvore santa dos sonhos
 Os frutos da mente
 São meus e são teus
 Nossos segredos guardados
 Enfim revelados
 Nus sob o sol
 Segredos de deus tão guardados
 Enfim revelados
 Nus sob o sol
