

# Temas de TV - The Big Bang Theory

Tom: G

Our whole universe was in a hot dense state,  
 Then nearly fourteen billion years ago expansion started.  
 Wait...  
 The Earth began to cool,

The autotrophs began to drool,  
 Neanderthals developed tools,  
 We built a wall we built the pyramids,  
 Math, science, history, unraveling the mysteries,  
 That all started with the big bang!
