

Temples - Colours To Life

```
Tom: D
  CAPO VI (song is in Bbm )
Main guitar riff
Fm
VERSE 1
Blue, rest into the sleep
Choose visions, wake from deep
           Gbm
                      Dm
Painting ourselves on stained glass floor
               Gbm
                               Dm
The things we discussed are disguised until unveiled
Riff 2x
PRE-CHORUS
In the hour of night we take from ourselves,
we place in the world
Riff 2x
There's a balance of thoughts
you should find affirmation speaking in tongues
              В
Tame the words through you
CHORUS
          Α7
                  Fm
                              Α7
Dawn of creation blessed in devotion
                     Bm
Love, lust, spaces in time bringing colours to life
           A7 Em
                         A7
Spectrums defy us left to remind us
                                                A7
                       Rm
```

```
Love, lust, spaces and time bringing colours to life
Riff 2x
Em
VERSE 2
Loose words from voices speak
New shades of darkness seek
            Gbm
                        Dm
Staining ourselves on a painted floor
                                 Dm Em
                   Gbm
The things we have done are disclosed onto ourselves
Riff 2x
PRE-CHORUS
A7
In the hour of night we take from the skies,
we reflect on the world
Riff 2x
Just a balance of thoughts
you should find adoration speaking in tongues
               В
                  В
Tame the words through you
CHORUS
           Α7
                   Fm
Dawn of creation blessed in devotion
                      \mathsf{Bm}
Love, lust, spaces in time bringing colours to life
                  Fm
            Α7
                            Α7
Spectrums defy us left to remind us
Love, lust, spaces and time bringing colours to life
