

# Templo de Fogo - Soberano

Tom: C

A terra vai passar  
 Mas sua palavra jamais deixará de existir  
 Dentro do meu coração  
 Tua mensagem me fez entender  
 Que esse momento é precioso  
 E as tuas mãos estão estendidas a mim  
 Aquela aflição  
 Já não existe mais

Pois a minh'alma curou  
 O que era velho novo se tornou  
 Hoje creio  
 És dono do poder e a honra  
 Todos saberão  
 A ti pertence a majestade e a glória  
 Porque és soberano deus  
 És soberano  
 És soberano deus
