

TEMPOREX - Nice Boys

tom:

Db (forma dos acordes no tom de A)

Capostrate na 4ª casa

Ain't it just so easy to say

You don't feel the same way

As that nice boy does, ey?

He misses you, he wants you

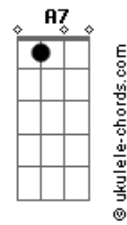

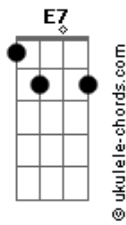

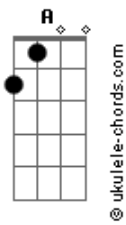

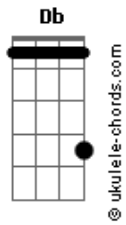

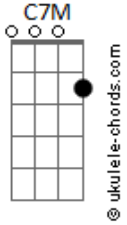

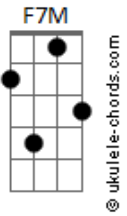

But you just don't feel the same

Why don't you tell him today?

She doesn't want him because he cares too

A7

Acordes

Much

But now he's gone and she's alone again

Maybe if she tried a little harder to find

The gem within his heart that was there

This whole time

Baby, what did I do?

Baby, come through

To me

Baby, I think it's you

Never was me
