

## **Tempus Fugit - A Song For a Distant Land**

```
Intro: Gbm7 Gbm7
                  A Dbm
              Dbm4 Dbm
       Dbm
When all the dreams were over
We finally came back home
         Gbm7
With the morning light in our eyes
Though we can't stand it
             Dbm
Demon knights laughed over the hills
                  Dbm
While the god's army was crawling
Dbm Dbm4 Dbm Dbm
On the wet sand, on
                           Dbm4
                                     Dbm
                          the wet
                                       sand
We hoped to find a hide way from the evil
          Α
But in our hearts, we knew they'd find us
            Dbm
We cry for a distant place
                Dbm
  Ghm
We cry high for a vanished race
We sing this song at the end
A song for a distant land
               Gbm E
Uncertainty and fear grow in our minds
                Gbm
                         E Dbm
Feeding the devil, came from from inside
                       Am
```

```
There's no place to lay down and die
Tears are falling and we can't hide
Solo SH2 2x: Am Am G Em
Dbm
(Abm Dbm) 2x
There's a legend of a fallen angel
                   Dbm B
The legend says: "a angel lost his faith"
He forgot the word and wasted souls
Dbm
Of men and women who believed in him
Ebm Db B
Now this angel has to pay
(Abm Dbm)
Abm
Warriors and preachers raise up their weapons
            В
The wind is blowing, but it isn't fresh
Abm
We can't build castles in the sand, anymore
Just stare at this wasteland
Ebm Db
              В
While we wait for judgement day
Ebm Db
                D
While we wait for judgement day
Final: Gbm7 Gbm7 A Dbm
Dbm Dbm4 Dbm C#m9
```
