 G G

a very special thing      yeah take it JB, take it

I hate to interrupt the thing

That Lee was singing about him and KG

Special thing, what do think this is

Like when KG hits a tin cup shot

On a genesis golf tee cup,

That's a special thing, thats a special thing

Or when KG, pops in Jenny Craig Mac and Cheese and hands it to me

That's a special thing, that's a special thing

Now one and one and one is three

A rare occasion for that's triple

(Reeearrrrrearrrrr deerridididdeeeerder)
KG JB and me KG JB and

(Reeearrrrrearrrrr daaaaaaooooooo dododooooooohahahaugh)
Lee KG JB and
me

Now that's un special thing

To the shores of ye old rustic Chinook

Decimating the competition

Leaving in their wake the blind ambition

Come along children, and rock get it on

In whatever heinous realm that it squats

In whatever heinous realm that it squats

In whatever heinous realm that it squats

that it squats, that it squats, that it squats
