

Tenacious D - Tribute

Tom: C

Riff 1

A long time ago, me and my brother Kyle here, we were hitchhiking
Down a long and lonesome road, all of a sudden there shined a
Shiny demon in the middle of the road. And he said

PM.
Play the best song in the world or I'll eat your souls . . .

Riff 1

Well me and Kyle...we looked at each other
And we each said...O.K.

And we played the first thing that came to our heads
It just so happened to be the best song in the world

It was the best song in the world
Look into my eyes and it's easy to see

One and one make two, two and one make three,

It was destiny.

Once every hundred-thousand years or so,
When the sun doth shine and the moon doth glow
And the grass doth grow...

Riff 1

Well needless to say, the beast was stunned
Whip crack with your swampy tail, and the beast was done
He asks us (snort) Be you angels?
And we said nay, we are but men. Rock
