

Tender - Violence

Tom: Gb

(com acordes na forma de F)
Capostrate na 1ª casa

All I need is someone to save

Want to be remembered

Want you to know my face

All I need is rest

Get that pain off my chest

All I need is silence

Give me sex and violence

It's all the same

(Dm C Am Bb)

It's all the same to me

Found myself in a living room

Surrounded by people I don't even know

I can count all my friends with a single hand

Watching me like I got something to show

I don't want to talk about it

I don't want to dream anymore

I don't want to talk about it

Is it love?

Is it war?

Is it war?

We've all got damage done

I'll pretend to be someone

But I don't want to talk about it

I just want the violence to overgrow

(Dm C Am Bb)

Moving through the silent fumes

Smokey clothes

And dirty rooms

Won't make me sick anymore

Some things I want to show you

Right on the tip of my tongue

I don't want to talk about it

I don't want to dream anymore

I don't want to talk about it

Is it love?

Is it war?

We've all got damage done

I'll pretend to be someone

But I don't want to talk about it

I just want the violence to overgrow
