

# Terezinha de Jesus - Vento Nordeste

tom:

Intro: D Dbm7 Bm7 D Dbm7 Bm7  
A A A A A

Crianças nos claros da tarde

Cachorros na boca da noite

Os galos nos dentes do dia, cada desejo é um açoitado

Eu nunca volto nem vou, apenas sou

Aberta aquela janela, este peito estrangulado

O que não digo me queima, não satisfaz o falado

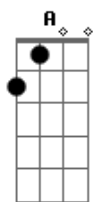

Não te odeio nem te amo, apenas chamo

Viaja o vento nordeste, cavalo do meu segredo

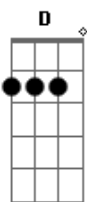

Se estás comigo distraio, se vais, eu morro de medo

Eu não me lembro nem esqueço, adormeço
