

Terraplane Sun - Get Me Golden

Tom: G

Sittin' in the back of this Cadillac
 Thinkin' I worked way too hard to be where I'm at
 Blinded by the cars and the boulevards
 I always took my cues from the real stars
 But now I'm sittin here when I saw the sign
 And realized that it's time to get where I'm goin'
 I hope you don't mind that I'm takin time to get mine
 And you know I ain't scared to show it
 Well I gotta plan in the palm of my hand
 To get me rollin
 I gotta plan in the palm of my hand
 To Get Me Golden

You can try, you can try to put it all on the line
 Ain't comin home ti'll you kiss the sky
 Cause all I want all I want all I really really want
 Is to know that the love is worth the sacrifice
 But now I'm sittin' here when I saw the sign
 And realized that it's time to get where I'm goin'
 I hope you don't mind that I'm takin time to get mine
 And you know I ain't scared to show it
 Well I know you may not really care
 But I'm just trying to get by
 When the city sleeps in yeah
 We'll slip right on through the back
 When the city sleeps in yeah
 We'll slip right on through the cracks
