

# Terrian - Honestly, We Just Need Jesus

tom:

A (forma dos acordes no tom de G )

Capostraste na 2ª casa

Intro: G D Em

I got a front row seat  
 To the madness  
 I pick up my phone every morning  
 Out of habit  
 I've been fiendin' for the drama  
 Yeah I said it  
 I'm addicted to the rush  
 Need a medic  
 When I take a step back  
 I can see it  
 All the pain, all the fear  
 We've been feeling  
 Losing sight of the thing  
 That we're needing  
 That we're needing

Honestly, I think we just need Jesus  
 Honestly, I think we just need Jesus  
 Have we all gone mad  
 Have we lost our minds  
 What used to be wrong  
 We say that it's right  
 Honestly, I think we just need Jesus

Take a good long look  
 In the mirror  
 Search my heart and soul  
 Make it clearer  
 Help me take your love  
 Trade the bitter  
 Leave it in the dust  
 Help me leave it in the dust lord  
 We've been preaching we've been drinking  
 In the vanity  
 Now it's got us questioning  
 Our sanity  
 And we wonder how we get all  
 This anxiety

It's clear to me  
 Honestly, I think we just need Jesus (Jesus)  
 Honestly, I think we just need Jesus (Jesus)  
 Have we all gone mad  
 Have we lost our minds  
 What used to be wrong  
 We say that it's right  
 Honestly, I think we just need Jesus

We turn away (we turn away)  
 We're running back to you  
 Covered in grace  
 God you can make us new  
 We turn away (we turn away)  
 We're running back to you  
 Covered in grace  
 God you can make us new

( G D Em )

Honestly, we need, we need you Jesus  
 (We need, you Jesus)  
 Honestly, we need, we need you Jesus  
 (We need you)  
 Have we all gone mad  
 Have we lost our minds  
 What used to be wrong  
 We say that it's right  
 Honestly, we need, we need you Jesus

Oh Jesus  
 Jesus  
 Jesus

We need you, Jesus  
 Jesus (oh oh)  
 Jesus

Jesus (We turn away)  
 Jesus (We're running back to you, oh)  
 Jesus  
 (We're running back to you, oh)

Jesus (We turn away)  
 (Yeah)

G  
Jesus  
D D

# Acordes

Jesus

Make us new
