

Terry Winter - Our Love Dream

tom:

Intro: ^E
^A
I am dreaming very much
Of our tomorrow
And I am thinking very
Much of our today
And I don't have no time
To think of sorrow
For I love you as
I've always done before
I know everybody wants
To know our story
And I know that I don't see, I don't care
And I know people
Who wanna feel they're sorry
So I play them all
I've moved this theme to play
And I love you more and more
Like I've always done before
