I am dreaming very much Of our tomorrow  
 And I am thinking very Much of our today  
 And I don't have no time To think of sorrow  
 For I love you as I've always done before

I know everybody wants To know our story  
 I know that I don't see I don't care  
 And I know people Who wanna feel they're sorry  
 So I play them all I've moved this theme to play

And I love you more and more  
 Like I've always done before

And I know that life has been  
 So good to me oh!
