

# Testemunhas de Jeová - Glad I've Passed The Test

Tom: **D**  
Intro: **A**

**A**  
Seems like there's something everyday  
Some new test that comes my way (something everyday) **Gbm** **A**  
I never know what it might be  
But whatever it might be **Gbm**  
I know I have the key **A**

**Cm**  
Coz? I can face it if I'm steady  
**A**  
And prepare so I'll be ready  
**D**  
How to act and what to say  
**Gbm**  
When a challenge comes my way  
**Cm** **A** **D**  
At times it's tough for me out there  
**Cm** **A** **D**  
And so I turn to God in prayer

**A**  
I pray I'll pass each test  
**Gbm** **D**  
Everyone that comes my way  
**A**  
I pray I'll pass each test  
**Gbm** **D**

And be faithful through the day  
( **A** )  
**A**  
Some things I know I'll face again  
Like the pressure to fit in (face it once again) **Gbm** **A**  
There will be times when other kids  
Do the things that God forbids (the things that God forbids) **Gbm** **A**

**Cm**  
And pressure need to go along with  
**A**  
Kids I know I don't belong with  
**D**  
That's the time I call to mind  
**Gbm**  
I don't want to be that kind  
**Cm** **A** **D**  
Coz' I'm a witness for God's name  
**Cm** **A** **D**  
So there's no cause to be ashamed

**A**  
I'm glad I've passed the test  
**Gbm** **D**  
I was faithful all day long  
**A**  
I'm glad I've passed the test  
**Gbm** **D**  
I'm glad that I was strong
