

# Testemunhas de Jeová - Imagine a Si Mesmo No Paraíso

tom:

Gb (forma dos acordes no tom de D )

Capostrate na 4ª casa

Já posso ver você e eu

No Paraíso que Deus prometeu

Quanta emoção ao caminhar

Num mundo livre, feliz, em paz

O mal não mais existirá

O Reino justo não vai falhar

Um novo começo sem comparação

A Deus cantaremos de todo o coração

[Refrão]

?Jeová, nosso Deus, que grande prazer

Presenciar teu imenso poder!

Profundo amor sentimos por ti, ó Senhor

Mereces a glória, a honra e louvor?

Profundo amor sentimos por ti, ó Senhor

Mereces a glória, a honra e louvor?

Eu posso até imaginar

O novo mundo em que vamos morar

Nenhuma dor, temor não há

Conosco a tenda de Deus está

O que Jeová profetizou

Realidade já se tornou

Agora os mortos irão despertar

Com eles nós vamos ao nosso Deus cantar

[Refrão]

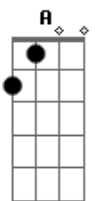

?Jeová, nosso Deus, que grande prazer

Presenciar teu imenso poder!

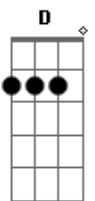

Profundo amor sentimos por ti, ó Senhor

Mereces a glória, a honra e louvor?
