

Tetê Espíndola - Na Chapada

tom: E

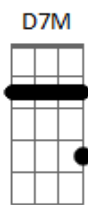

Há um chuvisco na chapada
 Em toda mata um cochicho em ch
 Chuá, Chuá na queda d'água
 Eu me espicho fico quieta, nada me falta
 O véu de noiva de água virgem
 Me elevou, envolveu
 A sua ducha me deu vertigem

Arrepio, rodopio em mim
 Seu jorro não tem mais fim
 E nesse êxtase me deixo, não sei quem sou
 Estou no meio do arco-íris
 E saboreio elixiris de amarílis
 Na cachoeira a enxurrada
 O véu da chuva desceu
 No vento nuvem no céu desaba
 Champinhante, espumante champagne
 Chapada dos Guimarães
