

Tetê Espíndola - Rio De Luar

tom:

D

Ai que saudade que me dá
 De ver a morena por lá
 Tomando banho de cachoeira
 E nadando num rio de luar

Morena bonita e formosa
 Dos seios morenos de sol
 A vida é boa e gostosa
 Como os peixes do coxipó

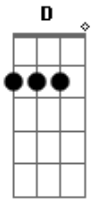

Ai que saudade que me dá
 De ver a morena por lá
 Tomando banho de cachoeira

E nadando num rio de luar

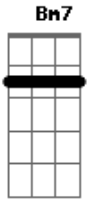

A lua nasce no véu da noiva
 Iluminando o chapadão
 Morena deita nas minhas coisas
 Aumentando minha paixão

Ai que saudade que me dá
 De ver a morena por lá
 Tomando banho de cachoeira
 E nadando num rio de luar
 Ai que saudade que me dá
 De ver a morena por lá
 Tomando banho de cachoeira
 E nadando num rio de luar
