

Thalía - Baby I'm In Love

Tom: D

Baby I'm In Love, In Love, in love
 Baby I'm In Love, in love in love
 Don't be checking me baby I am free
 May be on my own, but I'm not alone
 I've got, I've got a good thing
 Doesn't really matter boy what you have
 I don't need no rock to be off the block
 No more tears you bring gonna change a thing
 What we have is so real
 You don't need to prove to me how he feels
 'Cause i'm in too deep to blow a good thing
 And one night's mischief could cost me everything I want
 baby I'm in love with the one I'm with
 Sorry if you don't approve
 I got plans with the one I'm with
 And there a lifetime of being true
 Maybe in a different place and time
 Maybe that I might have changed my mind
 But is like this, baby I'm in love with the one I'm with
 (Bm, G)

I'm in love, I'm in love
 It's the cheapest talk and the foolish walk
 To be running games and be hiding things
 Behind the one, your love's back
 Don't be doing him wrong like that
 Yes is flattering that you're feeling me
 But I've got to say that it's all for me
 There's nothing that i would do
 To hold the risk of losing him over you
 'Cause i'm in too deep to blow a good thing
 And one night's mischief could cost me everything I want

(repete refrão)
 'Cause baby I'm in love with the one I'm with
 Sorry if you don't approve
 I got plans with the one I'm with
 And there a lifetime of being true
 Maybe in a different place and time
 Maybe that I might have changed my mind
 But its like this, baby I'm in love with the one I'm with

I'm In Love (repeat 8X)
 Cuz my heart is taken by the one
 That I got and I am gonna prove
 That you can trust someone
 The one you love!
