

# Thalía - Closer to you

Tom: F

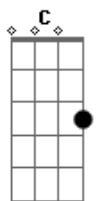

The hand of time  
 Start to unwind  
 Thinking how things could be  
 I know there's a maybe that you will be mine  
 And I won't rest until you're mine  
 So come take the best of me and know  
 That I will always be  
 Closer to you, closer to me  
 Where do I turn, how do I learn  
 To be closer to you, closer to me  
 Wrapped in your arms, closer to you  
 Is where I wanna be  
 You seem so far  
 My distant star  
 How can I get to where you are  
 Through the dark you're my light

With your wings I can fly  
 When I close my eyes  
 It's you on my mind  
 So come take what's left of me  
 And know that I will always be  
 (repete refrão)  
 So glad you're here to stay  
 Baby, please don't walk away  
 After all this time  
 My love remaned the same  
 And I'll do it all again  
 Just to have tou in the end  
 And know that I'll always be  
 Closer to you, closer to me  
 Closer to you  
 Is where I wanna be  
 Closer to you  
 (repete refrão)
