Tom: G

Fatjoe: TS

Thalía: Hey baby

Fatjoe: Yeah

Thalía: No one else can ever

Fatjoe: You want me to track the dawn Thalía, ahh

TM, You're just another winner

Woo, yeah, uh, yeah, uh, hey Rodney

Terror, come on, its goind down baby

What did I

Do to deserve such a man so special in my life?

So many days and nights

I get on the go while I sit and wait for mister right

Baby, then came you

Laidback with your sexy smile

When you move your body you just drive me wild

If you're feeling me, baby, tell me now

Because I want you, I want you

Baby, no one else can ever want you like I do

I?m feelin? love in the deepest fall, give you the keys and all

You even when helped me when the beef was on

Tell me what you feel 'cause I?m feeling something real

I feel the same way, you make the Don say

Girl, I want you, girl, I need you

Can?t you see

How this love affair would be good for you and me?

'Cause baby, I swear no other man can do

The things that you do when you love me

Oh, baby, you?re my lifetime fantasy

So smooth, love the way you walk  
I just love to hear when you talk your talk  
So if you?re feeling me, baby, let me know  
Because I want you, I want you

Baby, no one else can ever want you like I do

I?m feelin? love in the deepest fall, give you the keys and all

You even when helped me when the beef was on

Tell me what you feel 'cause I?m feeling something real

I feel the same way, you make the Don say

Girl, I want you, girl, I need you

Slow down, love

Don?t you see me with my girl, what you thinkin? it was?

I know you?re used to seein? me in the clubs

Different chicks, sippin? Cris?, just a million in dubs

But I?ve changed, only got eyes for her

Believe me, ain?t no girl dividin? us

We could maybe elope, have a baby and all

'Cause I don?t wanna be a player no more

Baby, no one else can ever want you like I do

I feel the same way, you make the Don say

Girl, I want you, girl, I need you

Tell me what you feel 'cause I?m feeling something real

I feel the same way, you make the Don say

Girl, I want you, girl, I need you

Baby, no one else can ever want you like I do

I feel the same way, you make the Don say

Girl, I want you, girl, I need you

Tell me what you feel 'cause I?m feeling something real

I feel the same way, you make the Don say

Girl, I want you, girl, I need you

Baby...baby...baby...baby...
