

Thalía - You Spin Me Right

```
Tom: Gb
If I , \mbox{ I get to know your name}
Well if I could trace your private number, baby
All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some, want some
       You spin me right round, baby
        Gb
Right round like a record, baby
B Db
Right round, right round
       A E
You spin me right round, baby
Right round like a record, baby
       Db
Right round, right round
(Gb E D Db B Db)
I set my sights on you
And I, I've got to have my way now, baby
```

```
All I know is that to me
You look like you're having fun
Open up you lovin' arms
Watch out here I come
I got to be your friend now, baby
And I would like to move in just
A little bit closer
All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some, want some
       You spin me right round, baby
        Gb
Right round like a record, baby
B Db
Right round, right round
       You spin me right round, baby
        Gb
Right round like a record, baby
B Db
Right round, right round
