Flying to the Moon **Bb** **Dm**  
 Inside Apollo 11 **Bb**  
 Was my dream last night **Dm**

Floating in the dark **Bb** **Dm**  
 With little fuel and full of hope **Bb**  
 Searching any light **Dm**

I'm looking for a garden for me **Bb** **Dm**  
 I'm broken, scared and with weak knees **Bb**  
 I need a new place for myself **Dm**  
 Every right my people have earned **Bb**  
 Achieved and fought for, are now burned **Dm**  
 You only think about yourself **Dm**

Can you hear my voice? **Bb** **Dm**  
 They don't even seem to hear each other **Bb**  
 With all those massive sick thoughts **Dm**  
 And on one side, they fight **Bb**  
 On the other, they cry out for chaos **Dm** **Bb**  
 Until all is destroyed **Dm**

Please, people, move backwards **Bb**  
 While they throw all those darts **Dm**  
 At the weakest targets and scream in the name of God **Bb** **Dm**

Oh, Mr. President **Bb**  
 Its hard to call you this way **Dm**  
 Because you should work for all **Bb**  
 Not judging on color, gender or race **Dm**

Oh, Mr. President **Bb**

Tell me, why don't you care? **Dm**  
 I'm sorry, but I cannot understand **Bb**  
 What God is that **Dm**

But history will charge and won't forgive **Bb** **Dm**  
 And we, the people, we won't ever forget **Bb** **Dm**

It's a new year and we've never been so old **Bb** **Dm**  
 It's a new year and we've never been so old **Bb** **Dm**  
 It's a new year and we've never been so old **Bb** **Dm**  
 It's a new year and we've never been so old **Bb** **Dm**  
 ( **Bb** **Dm** **Bb** **Dm** )

It's a new year, when did we get so cold? **Bb** **Dm**  
 It's a new year, why are you all blindfolded? **Bb** **Dm**  
 It's a new year and we are a fucked up world **Bb** **Dm**  
 It's a new year and our land is being sold **Bb** **Dm**

And all we have is love, I can hear ourselves **Dm** **Bb** **Dm**  
 You bet we will hold on, I can hear ourselves **Bb** **Dm**  
 We've never been so strong, I can hear ourselves **Bb** **Dm**  
 And we don't need more guns, I can hear ourselves **Bb** **Dm**

And all we have is love, I can hear ourselves **Bb** **Dm**  
 And all we have is love, I can hear ourselves **Bb** **Dm**  
 And all we have is love, I can hear ourselves **Bb** **Dm**  
 And all we have is love, I can hear ourselves **Bb** **Dm**  
 ( **Bb** **Dm** **Bb** **Dm** )

It's a new year **Bb**  
 It's a new year **Dm**  
 It's a new year **Bb**  
 It's a new year **Dm** **A**  
 It's a new year **Dm**
