

That Poppy - Aristocrat

tom:

Bm

[Primeira Parte]

In the palace of Versailles, before the fall
 We were wild, we were so debauched
 Extravagance was practically a law
 If we ever got bored, we'd say "Let's throw a ball"

You'd chase me naked through the palace garden
 Before we dove into a sparkling champagne fountain
 Eating cake with a little golden butter
 They never even knew that I got here from the gutter

[Pré-Refrão]

'Cause I dance like an aristocrat
 Hold your head up high, yeah, just like that
 Show me that you understand
 Come on and do it like only a poor kid can

[Refrão]

Oh, a - ristocrat
 Oh, dance like an aristocrat
 Oh, a - ristocrat
 Oh, dance like an aristocrat

[Segunda Parte]

In the middle of the night
 The ladies of the court
 Would catfight tryna be the king's consort

I'm sorry B, he's hot for me

La Comtesse, du Poverty

Me and Marie dressed head to toe in diamonds
 With an orchestra to drown out all the violence
 And the gossip cut like a handcrafted stiletto
 But they never figured out that I got here from the ghetto

[Pré-Refrão]

'Cause I dance like an aristocrat
 Hold your head up high, yeah, just like that
 Show me that you understand
 Come on and do it like only a poor kid can

[Refrão]

Oh, a - ristocrat
 Oh, dance like an aristocrat
 Oh, a - ristocrat
 Oh, dance like an aristocrat

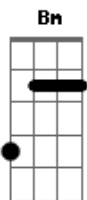

[Ponte]

Out of the fire
 Out of the fire
 Courante, Bourrée, Allemande, if you want
 Courante, Bourrée, Allemande, if you want

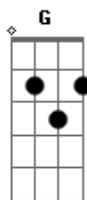

[Refrão]

Oh, a - ristocrat
 Oh, dance like an aristocrat
 Oh, a - ristocrat
 Oh, dance like an aristocrat
