

# That Poppy - Chewing Gum

tom:

Dbm

[Primeira Parte]

E I like myself again, I finally found a friend  
 E His name's Nobody and he loves me  
 E I found him on the web, the world wide internet  
 E And on the day we met, I felt lovely  
 Gbm I hope you never try to leave me

[Refrão]

Dbm 'Cause I want you under my thumb  
 Dbm I'm just a girl and I want to have fun  
 Dbm So don't make me hate you, I won't hesitate to  
 Dbm Spit you out like old chewing gum  
 E I love chewing gum

[segunda Parte]

E My life feels like a dream now that he's on my team  
 E I melt like ice cream when he loves me  
 E He calls me "Poppy Seed" and treats me like a queen  
 E He's everything I need, so I tell him  
 Gbm "I know you'll never try to leave me"

[Refrão]

Dbm 'Cause I've got you under my thumb  
 Dbm I'm just a girl and I want to have fun  
 Dbm So don't make me hate you, I won't hesitate to  
 Dbm Spit you out like old chewing gum  
 E I love chewing gum

[Ponte]

E Am I just insecure?  
 E A wee bit immature?  
 E Who knows for sure? (Who knows for sure?)  
 E At least I got my boy here to tell him that

[Refrão]

Dbm 'Cause I've got you under my thumb  
 Dbm I'm just a girl and I want to have fun  
 Dbm So don't make me hate you, I won't hesitate to  
 Dbm Spit you out like old chewing gum  
 E I love chewing gum  
 Dbm 'Cause I've got you under my thumb  
 Dbm I'm just a girl and I want to have fun  
 Dbm So don't make me hate you, I won't hesitate to  
 Dbm Spit you out like old chewing gum  
 E I love chewing gum
