

The 1975 - Be My Mistake

Tom: G

(And) be my mistake and turn out the light
 She bought me those jeans, the ones you like
 I don't wanna hug, I just wanna sleep
 The smell of your hair reminds me of her feet

So don't wait outside my hotel room
 Just wait till I give you a sign
 'Cause I get lonesome sometimes

Save all the jokes you're gonna make
 While I see how much drink I can take
 Then be my mistake

I shouldn't have called
 'Cause we shouldn't speak
 You do make me hard
 But she makes me weak

And don't wait outside my hotel room
 Just wait till I give you a sign
 'Cause I get lonesome sometimes

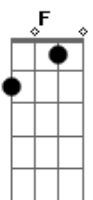

Save all the jokes you're gonna make
 While I see how much drink I can take
 Then be my mistake
