

# The 1975 - Girl

Tom: C

( C Dm F ) 4x

Bite your face to spite your nose  
17 and a half years old  
I'm worrying about my brother finding out  
Where's the fun in doing what you're told?

I said 'no! '  
Oh give it a rest, I could persuade you  
I'm not your typical, stoned 18 year old  
'Give me a night I'll make you

I know you're looking for salvation  
In the secular age

But girl I'm not your savior'

Wrestle to the ground  
God help me now because

They're just girls breaking hearts  
Eyes bright uptight, just girls  
But she can't be what you need if she's 17

They're just girls  
They're just girls

A pair of frozen hands to hold  
Oh she's so southern so she feels the cold  
One moment I was tearing off your blouse  
Now you're living in my house  
What happened to just messing around?

I said "Yo, I think I better go. I can't take you"

"You just sit and get stoned with 30 year olds  
And you think you've made it"

"Well, shouldn't you be fucking  
With somebody your age instead of making changes? "

Wrestle to the ground  
God help me now because

They're just girls breaking hearts  
Eyes bright uptight, just girls  
But she can't be what you need if she's 17  
They're just girls  
They're just girls

I told her from the start  
Destined to be hard  
I told her from the start  
I'm breaking your heart  
Destined to be hard  
I'll break your heart

I said "Yo, I think I better go. I can't take you"  
I know you're looking for salvation in the secular age

But girl I'm not your savior  
Well, shouldn't you be fucking with somebody  
Your age instead of making changes?

Wrestle to the ground  
God help me now because

They're just girls breaking hearts  
Eyes bright uptight, just girls  
But she can't be what you need if she's 17  
They're just girls  
They're just girls

They're just girls breaking hearts  
Eyes bright uptight, just girls  
But she can't be what you need if she's 17

They're just girls  
They're just girls

( C Dm F ) 4x
