

The 1975 - If I Believe You

Tom: E

I've got a God shaped hole that's infected
 And I'm petrified of being alone now
 It's pathetic, I know
 And I tossed and I turn in my bed
 It's just like I lost my head (lost my head)
 And if I believe you
 Will that make it stop?
 If I told you: I need you
 Is that what you want?
 And I'm broken and bleeding
 And begging for help, for your help
 And I'm asking you Jesus, show yourself
 I thought I'd met you once or twice
 But that was just because the dabs were nice at opening up my mind
 Showing me consciousness is primary in the universe
 And I had a revelation

I'll be your child if you insist
 I mean, if it was you that made my body
 You probably shouldn't have made me atheist
 But, oh, I'm a lesbian kiss
 I'm an evangelist
 And if you don't want to go to hell and miss, you better start selling this
 And if I believe you
 Will that make it stop?
 If I told you: I need you
 Is that what you want?
 And I'm broken and bleeding
 And begging for help, for your help
 And I'm asking you Jesus, show yourself
 If I'm lost, then how can I find myself?
 If I'm lost, then how can I find myself?
 If I'm lost, then how can I find myself?
 If I'm lost, then how can I find myself?
 If I'm lost, then how can I find myself?
 Then how can I find myself?
