

# The 1975 - If I Believe You

Tom: E

I've got a God shaped hole that's infected

And I'm petrified of being alone now

It's pathetic, I know

And I tossed and I turn in my bed

It's just like I lost my head (lost my head)

And if I believe you

Will that make it stop?

If I told you: I need you

Is that what you want?

And I'm broken and bleeding

And begging for help, for your help

And I'm asking you Jesus, show yourself

I thought I'd met you once or twice

But that was just because the dabs were nice at opening up my mind

Showing me consciousness is primary in the universe

And I had a revelation

I'll be your child if you insist

I mean, if it was you that made my body

You probably shouldn't have made me atheist

But, oh, I'm a lesbian kiss

I'm an evangelist

And if you don't want to go to hell and miss, you better start selling this

And if I believe you

Will that make it stop?

If I told you: I need you

Is that what you want?

And I'm broken and bleeding

And begging for help, for your help

And I'm asking you Jesus, show yourself

If I'm lost, then how can I find myself?

If I'm lost, then how can I find myself?

If I'm lost, then how can I find myself?

If I'm lost, then how can I find myself?

If I'm lost, then how can I find myself?

Then how can I find myself?
