

# The 1975 - If You're Too Shy (Let Me Know)

tom:

Intro: **D A G D**  
**D A G**

**D A G**  
I see her online, all the time

**G D A D**  
I'm trying not to stare down there

**D A D**  
While she talks about her tough time

**D A G**  
Girl of your dreams, you know what I mean

**D A D**  
There's something 'bout her stare that makes you nervous

**D**  
And you say things that you don't mean

**Gbm G**  
Well, I found my hotel, I called up the twins

**Em Gbm A**  
I need to get back, I've gotta see the girl on the screen

**A**  
(And then I phoned her and she said)

[Refrão]

**A Bm G**  
"Maybe I would like you better if you took off your clothes

**G**  
I'm not playing with you, baby, I think that you should give it a go"

**G A Bm**  
She said, "Maybe I would like you better if you took off your clothes

**A Bm**  
I wanna see and stop thinking, if you're too shy then let me-

**Em A**  
Too shy then let me know"

( D )

**D A G**  
I've been wearing nothing every time I call you

**G**  
And I'm starting to feel weird about it

**A**  
Sometimes it's better if you think about it

**G**  
This time, I think I'm gonna drink through it

**D A**  
But I see her online, and I don't think that I should be calling

**G**  
All the time, I just wanted a happy ending

**D A**  
And I'm pretending I don't care 'bout her stare

**A D**  
While she's giving me a tough time
