

# The 1975 - Seattle Dawn

Tom: Db

(com acordes na forma de Capotraste na 1ª casa Intro: F G Em Am C )

( F G Em Am )  
 A soft sound  
 To the way that she wears her hair down  
 Covering up her face.  
 Oh what a let down,  
 And I don't seem to be having any effect now  
 Falling all over the place.

But you're losing your words  
 We're speaking in bodies  
 Avoiding me and talking 'bout you.  
 You're losing your turn  
 I guess I'll never learn  
 Cause I stay another hour or two.

( Am G )

For crying out loud, settle down!  
 You know I can't be found with you  
 We get back to my house  
 Your hands, my mouth  
 Now I just stop myself around you.

( F G Em Am )

(repeats throughout just like above)

Rest of the lyrics:  
 A small town  
 Dictating all the people we get around  
 What a familiar face.  
 Do you get what I mean now?  
 I'm so fixated on the girl with the soft sound  
 And hair all over the place.

And you're sure that I'd learn  
 I'm pushing through bodies  
 Avoiding me and walking 'round you.  
 And you're cold and I burn  
 I guess I'll never learn  
 Cause I stay another hour or two.

For crying out loud, settle down!  
 You know I can't be found with you  
 We get back to my house  
 Your hands, my mouth  
 Now I just stop myself around you.  
 A soft sound  
 And to the way she wears her hair down  
 Covering up her face.  
 Oh what a let down,  
 I don't seem to be having any effect now  
 Falling all over the place.

And you're sure that I'd learn  
 We're speaking in bodies  
 Avoiding me and talking 'bout you.  
 And you're sure that I'd learn  
 I guess I'll never learn  
 Cause I stay another hour or two.

For crying out loud, settle down!  
 You know I can't be found with you  
 We get back to my house  
 Your hands, my mouth  
 Now I just stop myself around you.
