

The 1975 - Seattle Dawn

Tom: Db

(com acordes na forma de Capotraste na 1ª casa Intro: F G Em Am C)

(F G Em Am)
 A soft sound
 To the way that she wears her hair down
 Covering up her face.
 Oh what a let down,
 And I don't seem to be having any effect now
 Falling all over the place.

But you're losing your words
 We're speaking in bodies
 Avoiding me and talking 'bout you.
 You're losing your turn
 I guess I'll never learn
 Cause I stay another hour or two.

(Am G)

For crying out loud, settle down!
 You know I can't be found with you
 We get back to my house
 Your hands, my mouth
 Now I just stop myself around you.

(F G Em Am)

(repeats throughout just like above)

Rest of the lyrics:
 A small town
 Dictating all the people we get around
 What a familiar face.
 Do you get what I mean now?
 I'm so fixated on the girl with the soft sound
 And hair all over the place.

And you're sure that I'd learn
 I'm pushing through bodies
 Avoiding me and walking 'round you.
 And you're cold and I burn
 I guess I'll never learn
 Cause I stay another hour or two.

For crying out loud, settle down!
 You know I can't be found with you
 We get back to my house
 Your hands, my mouth
 Now I just stop myself around you.
 A soft sound
 And to the way she wears her hair down
 Covering up her face.
 Oh what a let down,
 I don't seem to be having any effect now
 Falling all over the place.

And you're sure that I'd learn
 We're speaking in bodies
 Avoiding me and talking 'bout you.
 And you're sure that I'd learn
 I guess I'll never learn
 Cause I stay another hour or two.

For crying out loud, settle down!
 You know I can't be found with you
 We get back to my house
 Your hands, my mouth
 Now I just stop myself around you.
