

The 88 - All Cause Of You

Tom: A

I've been sinking through the drain of love lift my eyes to skies of up above D listen to me this is how I feel since I knew you all my thoughts are real you're the only one i wanna do everything's new A E and it's all ?cause of you

I've been moving cause my heart is true telling everyone I know bout you D tell your mama that you won't be home let your daddy know you're not alone

A all I wanna do is make you mine
I said I'd love you honey anytime

don't believe the things they say about me

and all those things you know I'd never be
