

## The Aces - Daydream

```
tom:
Intro: E A Dbm A
Daydream about me
And I know that you hate the nights without me
Baby I hate 'em too
But you know, but you know, but you know
I'm comin' back to you
Midnight my heart is racing
            Dbm
We're wide awake in
          В
This hotel room
We only got six hours
But sleep don't matter
When I'm with you
       F
So just hold on
To the memory of me
      Dbm
Riding in your front seat, every day
And I'll hold on
To the smell of your sweater
        Dbm
That you wore in December, when we met
Daydream about me
And I know that you hate the nights without me
Baby I hate 'em too
But you know, but you know, but you know
I'm comin' back to you
Daydream about me
And I know that you hate the nights without me
Baby I hate 'em too
But you know, but you know, but you know
```
