tom:

A

You never say A

Anything that I need to D

Participate in the bullshit D

Or get out of here A

All you do is take, take, take, take Gbm

Like a river swallow up who's in your way A

All you do is talk, talk, talk, talk D

Really thinking that it won't get back to me Gbm A

D A Gbm

Oh, you know how to win them over but not this time

Gbm

Oh, she's so fake nice

A D

You had me sympathizing

If I wanted simplicity why'd I move to the city

Like a river swallow up who's in your way A

A D

All you do is talk, talk, talk, talk, talk

Really thinking that it won't get back to me Gbm A
