

The Animals - Don't Let Me Be Misunderstood

```
Baby, sometimes I'm so carefree
Intro: organ doubled w/guitar, 2X:
                                                                       With a joy that's hard to hide
                                                                       And sometimes it seems that all I have to do is worry
                                                                       And then you're bound to see my other side
                                                               {repeat Chorus}
                                                               Bridge:
Verse 1:
                                                                       Bm A {first 3 beats as per intro}
        Baby, do you understand me now
         Sometimes I feel a little mad
                                                                         If I seem edgy, I want you to know
        Well don't you know that no-one alive can always be an
                                                                       That I never mean to take it out on you
angel
         When things go wrong I seem to be bad
                                                                         Life has it's problems and I get my share
                                                                                                     Gb
                                                                       And that's one thing I never mean to do, 'cause I love
Chorus:
                                                               you
                               Bm
       I'm just a soul who's intentions are good
                                                               Verse 3:
                   {N.C.}
                 please don't let me be misunderstood
                                                                       Oh, oh, oh, baby, don't you know I'm human
                                                                       Have thoughts like any other one
{repeat intro (2X)}
                                                                       Sometimes I find myself long regretting
                                                                       Some foolish thing, some little simple thing I've done
Verse 2:
                                                               {repeat Chorus followed by intro (1X) to fade}
```
