

Arcade Fire - Afterlife

Tom: E
Intro: E B Gb Abm (x4)

E B Gb Abm
Afterlife, oh my god, what an awful word
E B Gb Abm
After all the breath and the dirt and the fires are burnt
E B Gb Abm
And after all this time, and after all the ambulances go
E B Gb
And after all the hangers-on are done hanging on in the dead
lights of the afterglow
Abm
I've gotta know...

Gb E
Can we work it out?
If we scream and shout 'till we work it out
Gb E B
Can we just work it out?
Scream and shout 'till we work it out
E Abm
'Till we work it out, 'till we work it out
Gb E
'Till we work it out, 'till we work it out

E B Gb Abm
Afterlife, I think I saw what happens next
E B Gb
Oh, it was just a glimpse of you, like looking through a
window or a shallow sea
Could you see me?
E B Gb
And after all this time, it's like nothing else we used to
know
E B Gb
And after all the hangers-on are done hanging on in the dead
lights of the afterglow
Abm
I've gotta know...

Gb E
Can we work it out?
If we scream and shout 'till we work it out
Gb E B
Can we just work it out?
If we scream and shout 'till we work it out

Gb E
But you say, ohhhhh
Abm B
When love is gone, where does it go?
Gb E
And you say, ohhhhh
Abm B

When love is gone, where does it go?
E
And where do we go?
B
Where do we go?
Gb
Where do we go?
Abm
Where do we go?
E
Where do we go?
B
Where do we go?
Gb
Where do we go?
Abm
Where do we go?
E B
And after this
Gb Abm
Can it last another night?
E B
After all the bad advice
Gb Abm
That had nothing at all to do with life
Abm
I've gotta know...

Gb E
Can we work it out?
Abm B
If we scream and shout 'till we work it out
Gb E
Can we just work it out?
Abm B
If we scream and shout 'till we work it out
Gb E
But you say, ohhhhh
Abm B
When love is gone, where does it go?
Gb E
And you say, ohhhhh
Abm B
When love is gone, where does it go?
Gb E
Ohhhhh
Abm B
When love is gone, where did it go?
Gb E
Ohhhhhh
Abm B
We know it's gone, but where did it go?
Gb E Abm B
And where do we go?

(alternando A e B num ritmo mais lento)
Is this the afterlife?
It's just an afterlife with you
It's just an afterlife
It's just an afterlife with you
It's just an afterlife
