

Arcade Fire - Deep Blue

Tom: Bb

(com acordes na forma de Capostrate na 3ª casa G)

Here, are my place and time
 And here in my own skin, I can finally begin

Let the century pass me by
 Standing under night sky, tomorrow means nothing

D G C B7

I, was only a child then

Feeling barely alive when I heard a song from the speaker of a passing car

And prayed to a dying star
 The memory's fading I can almost remember singing

Chorus:

la, la la, la la la la
 La la, la la, la la la

Ooh Ooh ooh

D D G C B7

We watched the end of the century

Compressed on a tiny screen, a dead star collapsing and we could see

That something was ending
 Are you through pretending, we saw its signs in the suburbs

D G C B7

You could never have predicted

That he could see through you, Kasparov, Deep Blue, nineteen-ninety six

Your mind's pulling tricks now
 The show is over so take a bow, we're living in the shadows

Chorus:

la, la la, la la la la
 La la, la la, la la la

Ooh Ooh ooh

D G C B7
 Em D G C B7 x4

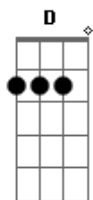

La la, la la, la la la la

La la, la la, la la la la

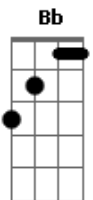

La la, la la, la la la la

La la, la la, la la la la
