Every inch of sky's got a star
Every inch of skin's got a scar
I guess that you've got everything now
Every inch of space in your head
Is filled up with the things that you read
I guess you've got everything now
And every film that you've ever seen
Fills the spaces up in your dreams
That reminds me of
(**G**)

Every inch of road's got a sign
And every boy uses the same line
I pledge allegiance to everything now
Every song that I've ever heard
Is playing at the same time, it's absurd
And it reminds me, we've got everything now
We turn the speakers up till they break
'Cause every time you smile it's a fake!
Stop pretending, you've got

G
(Everything now!) I need it
(Everything now!) I want it

F
(Everything now!) I can't live without
(Everything now!) I can't live without

C
(Everything now!)
(Everything now!)
Everything now

Every ancient road's got a town
Daddy, how come you're never around?
I miss you, like everything now
Mama, leave the food on the stove
Leave your car in the middle of the road
This happy family with everything now
We turn the speakers up till they break
'Cause every time you smile it's a fake!

Stop pretending, you've got

G
(Everything now!) I need it
(Everything now!) I want it

F
(Everything now!) I can't live without
(Everything now!) I can't live without

C **C**
(Everything now!)
(Everything now!)

G
'Til every room in my house is filled
With shit I couldn't live without

(Everything now!) I need it
(Everything now!) I can't live without

C **C**
(Everything now!)
(Everything now!)
Everything now

(**G**)
La la la la la la la la
La la la la la la la
La la la la la la
La la la la la la

F
La la la la la la la la
La la la la la la la
La la la la
la la la la

Can't make it back again
