Every inch of sky's got a star
 Every inch of skin's got a scar
 I guess that you've got everything now
 Every inch of space in your head
 Is filled up with the things that you read
 I guess you've got everything now
 And every film that you've ever seen
 Fills the spaces up in your dreams
 That reminds me of
 (G)

Every inch of road's got a sign
 And every boy uses the same line
 I pledge allegiance to everything now
 Every song that I've ever heard
 Is playing at the same time, it's absurd
 And it reminds me, we've got everything now
 We turn the speakers up till they break
 'Cause every time you smile it's a fake!
 Stop pretending, you've got

(Everything now!) I need it
 (Everything now!) I want it

(Everything now!) I can't live without
 (Everything now!) I can't live without

(Everything now!)
 (Everything now!)
 Everything now

Every ancient road's got a town
 Daddy, how come you're never around?
 I miss you, like everything now
 Mama, leave the food on the stove
 Leave your car in the middle of the road
 This happy family with everything now
 We turn the speakers up till they break
 'Cause every time you smile it's a fake!

Stop pretending, you've got

(Everything now!) I need it
 (Everything now!) I want it

(Everything now!) I can't live without
 (Everything now!) I can't live without

(Everything now!)
 (Everything now!)

'Til every room in my house is filled
 With shit I couldn't live without

(Everything now!) I need it
 (Everything now!) I can't live without

(Everything now!)
 (Everything now!)
 Everything now

(G)

La la la la la la la la
 La la la la la la la la
 La la la la la la
 La la la la la la

La la la la la la la la
 La la la la la la la la
 la la la la

(F C C C G)

Stop pretending, you've got

(Everything now!) I need it
 (Everything now!) I want it

(Everything now!) I can't live without
 (Everything now!) I can't live without

(Everything now!) I can't live
 (Everything now!)

And every room in my house is filled
 With shit I couldn't live without
 (Everything now!) I need it
 (Everything now!) I can't live without

(Everything now!) I can't live
 (Everything now!)

Every inch of space in my heart is filled
 With something I'll never start
 The ashes of everything now
 And then you're black again
 Can't make it back again
