

Arcade Fire - My Body Is a Cage

Tom: Eb

(com acordes na forma de Capotraste na 1ª casa D)

My body is a cage
 That keeps me from dancing with the one I love
 But my mind holds the key

My body is a cage
 That keeps me from dancing with the one I love
 But my mind holds the key

I'm standing on the stage
 Of fear and self-doubt it's a hollow play
 But they'll clap anyway

My body is a cage
 That keeps me from dancing with the one I love
 But my mind holds the key
 You're standing next to me
 My mind holds the key

I'm living in an age
 That calls darkness light
 Though my language is dead
 Still the shapes fill my head

I'm living in an age
 Whose name I don't know
 Though the fear keeps me moving

Still my heart beats so slow

My body is a cage
 That keeps me from dancing with the one I love
 But my mind holds the key
 You're standing next to me
 My mind holds the key

My body is a cage
 (Gbm A Bm Gbm)

My body is a cage
 We take what we're given
 Just because you've forgotten
 Doesn't mean you're forgiven

I'm living in an age
 Still turning in the night
 But when I get to the doorway
 There's no one in sight

I'm living in an age
 Realizing I'm dancing
 With the one I love
 But my mind holds the key
 standing next to me
 My mind holds the key

G A
 Set my spirit free
 Set my spirit free
 Set my mind free
 Set my spirit free
