

# Arcade Fire - Reflektor

Tom: C

Am Em  
Trapped in a prison, in a prism of light,

Alone in the darkness, darkness of white.

We fell in love, alone on a stage,  
Am  
In the reflective age.

Am  
If I can't find you there, I don't care.

Am Em  
Now, the signals we send, are deflected again,

Am  
And now we're staring at a screen.
