

Arcade Fire - Wasted Hours

Tom: B

(com acordes na forma de Capostrate na 4ª casa G)

All those wasted hours we used to know
 Spent the summer staring out the window
 The wind it takes you where it wants to go
 First they built the road, then they built the town
 That's why we're still driving round and round
 And all we see, are kids in buses longing to be free

Chorus:
 Wasted hours, before we knew

Am Em G
 Where to go, and what to do
 Am Em G
 Wasted hours, that you made new
 Em Bm G
 And turned into, a life that we can live
 G
 Some cities make you lose your head
 Bm Em C
 Endless suburbs stretched out thin and dead
 G
 And what was that line you said
 Wishing you were anywhere but here
 Bm Em C
 You watch the life you're living disappear
 G
 And now I see we're still kids in buses longing to be free
